## PUBLIC NOTICE TO NATIVE HAWAIIANS

**Attention: Kau Inoa, Hawaiian Registry Program and Operation 'Ohana registrants**

### A HAWAIIAN NATION REEMERGES

A crucial step in reestablishing a Hawaiian nation is for Native Hawaiians to come forward and engage in that process. Enrolling with Kana'iolo'owalu is that opportunity. Take up the kuleana and enroll at [hawaiianroll.org](http://hawaiianroll.org) or use the form on page 8. Kana'iolo'owalu may be the last chance to register to participate in organizing a Hawaiian nation.

#### COMPLETED STEPS

    C --> D[Following Act 195, the Native Hawaiian Roll Commission begins registering Native Hawaiians on the official roll]
    D --> E[In 2013, Act 77 directs the Roll Commission to include OHA's Kau Inoa, Hawaiian Registry Program, and Operation 'Ohana registrants on the official roll]

#### FUTURE OPPORTUNITIES

    A[Before September 15, 2013, Kau Inoa, Hawaiian Registry Program, and Operation 'Ohana registrants may request that OHA NOT transfer their names to the Roll Commission by returning the form on page 35] --> B[On September 15, 2013, OHA will transfer Kau Inoa, Hawaiian Registry Program, and Operation 'Ohana registrants to the official roll]
    B --> C[Through January 15, 2014, additional Native Hawaiians may register for the official roll]
    C --> D[A convention may occur during which those on the Kana'iolo'owalu Roll will be given the kuleana to participate in decision making processes that may determine:  
1) Whether Native Hawaiians will seek state, federal and/or international recognition  
2) The principles of the national governing document  
3) Who will be included as citizens in the Hawaiian nation  
4) Who will have voting privileges in the Hawaiian nation  
5) Who will receive potential benefits of the Hawaiian nation]
  
```

#### NOTICE

**NATIVE HAWAIIANS** who choose not to be included on the official roll risk losing their right, and the right of their children and descendants, to be legally and politically acknowledged as Native Hawaiians and to participate in a future convention to reorganize the Hawaiian nation (as described above), and as a result may also be excluded from being granted rights of inclusion (citizenship), rights of participation (voting), and rights to potential benefits that may come with citizenship (e.g., land use rights, monetary payments, scholarships, etc.). See page 35.

**NATIVE HAWAIIANS** Sign up now for the official roll at [hawaiianroll.org](http://hawaiianroll.org) or use the form on page 8 to ensure that you, your children and your descendants are included in the process of organizing a Hawaiian nation and receiving potential benefits and rights. Tell your Hawaiian extended 'ohana and friends to register as well so they will not be excluded.

If you have any questions regarding the transfer of information from OHA to the Native Hawaiian Roll Commission under Act 77, call 594-1835.
